What is the Poinsett County Sheriff Foundation?

The Poinsett County Sheriff Foundation is a 501(c)3 nonprofit organization designed to give citizens a way to provide tax-deductible financial support beyond the scope of the Sheriff's Office's normal operating budget.

Why Donate?

While the County budget covers basic operating expenses for the Sheriff's Office, the Poinsett County Sheriff Foundation fills areas of need that may otherwise go unaddressed. Equipment wears out. Technology changes. Through donations to the Sheriff's Foundation, we may be able to address these needs more quickly and without any additional burden to taxpayers.

How are Donations Used?

Your tax-deductible donations may be used to purchase items such as specialized equipment and technology, professional development for officers and staff, and educational scholarship opportunities for Poinsett County Sheriff's Office employees and their children. Donations may also be used for the advancement and promotion of law enforcement, public service missions, and in furthering the objectives of the Poinsett County Sheriff's Office and its employees.

Who Oversees the Foundation Finances?

The Foundation is managed by a volunteer Board of Directors, comprised of local community leaders, our Chief Deputy, and our Sheriff.
